

Welcome to the Helderberg Hilltowns! We invite you to wander the highways and byways on this map and enjoy our vistas and pastoral scenery.

As you **Discover the Hilltowns**, you will find many enchanting farms, artisan studios, farm stands, shops, cafes and restaurants. A few recommendations:

- Cash is needed at many locations; ATMs are noted on the map directory.
- Refer to the map directory for gas stations, restrooms, wheelchair accessible venues, those that accept credit cards, and places of interest to children.
- Bring a cooler along to preserve any perishable purchases you make.
- Safety is your responsibility. Please use common sense around farm animals, farm equipment, and all private property. The participating farmers and artisans, as well as HHA, cannot be held liable for discomfort or injuries that might occur.
- Please leave your pets at home.
